Please join us for a full day seminar on Existing Buildings Accessibility. The nature of construction has changed with a higher proportion of renovation and re-use. We will cover an overview of existing buildings for public entities & places of public accommodation per ADAS and CBC from Barrier Removal to Program Accommodation including Alteration requirements whether or not construction is scheduled

Speaker: Janis Kent, FAIA CASp, is a licensed California Architect, and has been involved with Access in the built environment since the mid-1980's. She is designated a Subject Matter Expert by the Division of the State Architect, a Certified Access Specialist, and serves on the committee to develop the California state CASp exams. Her most recent book is the Second Edition of *Stepping Thru Accessible Details*. She is the Founding President of the Certified Access Specialist Institute (CASI).
